

Passions of Pele Supply List:

What I will provide:

Birch Art Panel size 11"X14" (1/8"-1/4" thick) – this will be the base for your central tablet
Cradled Wood Panel size 12"X16" (1.5" deep) – this will be the frame base that we modify
Artist quality paints (GOLDEN & Kroma) - all of my favorites, plus some Hawaiian inspired colors

Specialty Mediums to create the tablet textures

Adhesives

Tools

Assorted nuts, bolts, screws etc.

Sanding Sponges

A package of ephemera & collage material made just for this event

Make sure you bring a larger suitcase and leave extra room (and weight) for your art to come home with home.

What YOU will need to bring:

- **Photocopies** of faces, (about 4"-6" inches from top of head to chin) - you should be able to fit two faces sideways on a standard size of paper. Bring a few to choose from and have them photocopied onto glossy paper if possible...ask for glossy brochure paper. I suggest bringing duplicates of your favorite face so you feel free to experiment) ***NO inkjet prints please. I'll be sending you some links to some of my favorite online resources to find faces if you're stuck.
- Imagery to collage with...anything you want to add to your tablet, symbols, flowers, text, wings, flourishes, patterns, etc....don't bring everything you own, these should all be able to fit into a single file folder. Remember I'll be giving you a package of paper as well.
- Paintbrushes - bring just a few in different sizes and a couple of good quality detail brushes.
- GOLDEN Matte Medium -16 oz. <https://www.dickblick.com/items/00628-1126/>
- Scissors
- Aves Epoxy Clay, I recommend you order this early from <https://www.avesstudio.com/apoxie/apoxie-clay>, the 1 pound size should be plenty but you can bring more if you think you'll want to do a lot of sculpting.
- some of your favorite found object-y things to adorn the frame, again don't bring everything you own, just an assortment and remember that we will be shopping in Maui as well. A **small** box full of some your goodies: chains, old jewelry pieces, doodads, frame corners, fabric just about anything that you would like to add to your piece.

Optional:

- Large palette knife (don't buy one, but if you have it bring it along)
- Heat gun
- Your own Dremel (again I'll have a couple to share, but if you don't like waiting and want to bring your own...)
